SUMMARY OF THE REASONS FOR DECISION:

The video recording is deemed objectionable as a result of the depictions of adolescent youths engaged in sexual activity. Two teenage boys with very slight physiques (aged approximately 15 or 16) are featured engaging in self and mutual stimulation of the genitals, kissing and fellatio. The publication focuses upon the youthful characteristics, nudity, and sexual conduct of the participants and is clearly intended for the purpose of sexual arousal. As such the publication is considered to tend to promote or support the exploitation of young persons for sexual purposes. The video recording has been classified as: Objectionable.
